

WADDLE

CHARITY DINNER

18th June, Portadown Rugby Club, 7.30pm

Guest Speaker Janet Gray MBE

3 Course Meal | *Smart dress | 8 persons per table

** No jeans, dress trousers and shirt, tie preferable*

Waddle's vision is to raise awareness of Spina Bifida & Hydrocephalus in Northern Ireland. Waddle will have 'Walked & Paddled' the 100 miles of the River Bann from source to sea in aid of the life changing work of the Royal Victoria Hospital for Sick Children, and the Association of Spina Bifida and Hydrocephalus (ASBAH).

Waddle aims to encourage Northern Ireland society to pause, think and to be truly inclusive by changing attitudes and removing physical barriers which prevent disabled people living their lives to the full.
